EMBAIXADORES
UFV

Multidisciplinary extension project linked to DRI, composed of undergraduate and graduate students.

Students participating in national and international mobility programs receive support and guidance, through a relationship with a kind of “ambassador”.

INSTITUTIONAL STRUCTURE

GENERAL COORDINATION

similar to President, the person in charge of bureaucratic issues and external representation.

PEOPLE MANAGEMENT COORDINATION

Similar to vice president the person in charge of the conduct of the members and organizational environment.

RELATIONSHIP COORDINATION

Person who supervises the relationship between the “ambassadors” and the national and international mobility program students.

INSTITUTIONAL STRUCTURE

RESOURCE COORDINATION

Person in charge of the financial area and the search for discount club and events.

INTEGRATION COORDINATION

Person in charge of events, trips and integration activities for national and international mobility program students.

COMMUNICATION COORDINATION

Person responsible for publicizing our program and attracting new members.

STUDENT WELCOME PROGRAM

The Student Welcome Program starts about 1 MONTH before the beginning of the school term:

1. The Relationship Coordinator receives a **spreadsheet from DRI** with contact information of the national and international mobility program students;
2. The relationship chairpersons will form **ambassador-exchange pairs** and will supervise their relationship to the best of their ability.
3. The ambassadors shall **contact the exchange student prior** to his/her arrival in Brazil or Viçosa.
4. In their first contact, the ambassador needs to be helpful and willing to make the **exchange student comfortable**.

STUDENT WELCOME PROGRAM

5. The Program **provides information** of all kinds, from bureaucratic issues to leisure.
6. We always try to **welcome the students at the bus terminal**, which is important for a good relationship between students and ambassadors.
7. Eventually, the ambassador promotes leisure and integration activities for exchange students, including **tours, trips, parties, picnics** and **cultural exchange experiences**.
8. Of course, **support during the registration process** and help with documentation are also provided.
